February 19, 2015

To the Board of Directors and Shareholders of
Affinity Names, Inc.

I have reviewed the accompanying balance sheet of Affinity Names, Inc. ending December 31, 2014 and the related statements of operations and cash flows for the year ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Affinity Names, Inc.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards followed in the United States of America, the objectives of which is the expression of an opinion regarding the financial statements taken as a whole.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order to be in conformity with accounting principles generally followed in the United States of America.

Sincerely

A handwritten signature in blue ink that reads "Dev M. Kini CPA". The signature is fluid and cursive, with the letters "Dev" and "Kini" being the most prominent.

Dev M. Kini, CPA

1 Summary of Significant Accounting Policies
Description of Business

Affinity Names Inc. (The Company) was registered in the state of Delaware on 26th March 2012. This company was acquired by Reliance Holding US, Inc. on the 12th April 2012 to focus on the internet and has applied for the new gTLD pursuant to recent invitation by the Internet Corporation for Assigned Names and Numbers (ICANN). The Company is a wholly owned Subsidiary of Reliance Holding USA, Inc., which is a subsidiary of Reliance Industries Ltd.

The new domain ending are known as Generic Top Level Domains(gTLDs) and ICANN recently approved the plan to introduce one of the biggest change in internet naming history by dramatically increasing the number of Internet domain name ending such as.com , .net and .org. The company believes that this is a significant development and will shape the future of internet.

The Company plans to pursue this new opportunity opened by ICANN and will be supported by Reliance Group to grow further in its future business pursuit.

Revenue Recognition

The Company will recognize revenue in the future based on accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.
