

RELIANCE INDUSTRIES LIMITED

Petroleum Business (E&P)

Notice Inviting Expression of Interest (RIL/E&P/EOI/2014/01)

(Under International Competitive Bidding)

A] For All Oil & Gas Fields

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited, Niko (NECO) Limited, Niko (NELPIO) Limited and Hardy Exploration & Production (India) Inc. invites Expression of Interest (EOI) for the blocks acquired under NELP-I, NELP-II, NELP-III and NELP-V from reputed and experienced Contractors for following categories:

CATEGORY NO	CATEGORY DESCRIPTION
DEV/COMN/2014/01	Conceptual Engineering and / or Front End Engineering & Design

B] For Block No. KG-DWN-98/3 (KG-D6)

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited and Niko (NECO) Limited invites Expression of Interest (EOI) for Deep-water Block No. KG-DWN-98/3 (KG-D6) in East coast of India from reputed and experienced Contractors/Vendors for following categories:

CATEGORY NO	CATEGORY DESCRIPTION
OAM/KGD6/2014/01	Hiring of Multi Support Vessel for Sub-Sea Intervention
OAM/KGD6/2014/02	Medical & Support Services.
OAM/KGD6/2014/03	Services for Operation & Maintenance of Information Technology Assets.
OAM/KGD6/2014/04	Services for Operation and Maintenance of Guest House.
OAM/KGD6/2014/05	Services for Housekeeping and Catering at Offshore platform (CRP).
OAM/KGD6/2014/06	Services for providing Industrial Canteen Facility.
OAM/KGD6/2014/07	Services for Maintenance of Mechanical Equipment & Systems (Rotary & Static).
OAM/KGD6/2014/08	Services for Maintenance of Electrical Equipment & Systems.
OAM/KGD6/2014/09	Services for Maintenance of Instrumentation Systems.
OAM/KGD6/2014/10	Services for Building Maintenance and Associated Civil Construction & Maintenance jobs.
OAM/KGD6/2014/11	Services for Fabrication of Piping & Structural Works.
OAM/KGD6/2014/12	Services for Industrial Plant Painting Jobs.
OAM/KGD6/2014/13	Services for Integrated facility management.
OAM/KGD6/2014/14	Services for Operation & Maintenance of Water treatment and Purification Plant such as ETP, STP, Desalination, Fire Water System etc.
OAM/KGD6/2014/15	Services of Material Handling Equipment such as Crane, Hydra crane, Fork lift, Trailers, Trucks and Pickup vans etc.
OAM/KGD6/2014/16	Services for Operation & Maintenance of Fire Station.
OAM/KGD6/2014/17	Supply of different types of chemicals used in Oil & Gas Industry for both Offshore & Onshore application.
OAM/KGD6/2014/18	Supply of Aviation Turbine Fuel Jet 1 Grade, used in the Helicopter operation (Air logistic)
OAM/KGD6/2014/19	Services for Bulk Liquid Transportation of Condensate/ other Hydro Carbons.
OAM/KGD6/2014/20	Services for Operation of HVAC Systems & Maintenance of HVAC, Package A/C's and Domestic A/C's

OAM/KGD6/2014/21	Services for Employee transportation services through A/C buses / LMVs
OAM/KGD6/2014/22	Services for Green belt maintenance and horticulture works
OAM/KGD6/2014/23	Supply of soil for horticulture and other purposes
OAM/KGD6/2014/24	Providing Mooring Services for Crude Offtake Operations from FPSO Dhirubhai-1
OAM/KGD6/2014/25	Provision of Pull back Tug for Crude Offtake Operations and Hawser & Hose Handling Boat for Crude Offtake Operations from FPSO Dhirubhai-1

Interested Contractors are requested to visit our website www.ril.com for further details on the above and submit their Expression of Interest (hard copies in duplicate along with electronic copy on CD) with all details through courier / post and also through e-mail on deveioresponse.eandp@ril.com, on or before 30th April 2014. The envelope should be superscribed as RIL/E&P/EOI/2014/01 along with category number.

Address for Communication:

Sr. Vice President - Supply Chain Management,
Reliance Industries Limited, Petroleum Business (E&P),
Building No 11, 'A' Wing, Second Floor, Reliance Corporate Park (RCP),
Thane-Belapur Road, Ghansoli, Navi Mumbai-400701, India
Email Address: - deveioresponse.eandp@ril.com

Further details on the above requirements are as below:-

A] For All Oil & Gas Fields

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited, Niko (NECO) Limited, Niko (NELPIO) Limited and Hardy Exploration & Production (India) Inc. invites Expression of Interest (EOI) for the blocks acquired under NELP-I, NELP-II, NELP-III and NELP-V from reputed and experienced Contractors for following categories:

CATEGORY NO.	CATEGORY DESCRIPTION
DEV/COMN/2014/01	Conceptual Engineering and / or Front End Engineering & Design

Contractors interested to pre-qualify for receiving tenders are required to submit the information as detailed below:

Category No: DEV/COMN/2014/01 for Conceptual Engineering and / or Front End Engineering & Design

➤ **Scope**

Conceptual Engineering and / or Front End Engineering & Design (FEED) works for development of offshore oil & gas fields in deep waters.

➤ **Contractor shall submit:**

- Experience in carrying out Conceptual Engineering for the development of offshore oil & gas fields in deep waters in the last 10 years. The details of experience to be provided in the format given herein.
- Experience in carrying out Front End Engineering & Design for offshore oil & gas fields in deep waters in the last 10 years. The details of experience to be provided in the format given in below table along with information on facilities covered e.g. subsea production system, pipelines, umbilicals, control system, topside & onshore oil / gas processing facilities including associated substructure.
- Experience in carrying out Flow Assurance Studies for offshore oil & gas fields in deep waters in the last 10 years. The details of experience to be provided in the format given in Attachment-1 along with information on aspects covered in the studies.
- Name & Location of the proposed bidding entity.
- Profile of the proposed bidding entity and the parent company, if any, including the following:
 - Overall organisation chart
 - Details of office facilities available with the proposed bidding entity
- Resources available with the proposed bidding entity to carry out Conceptual Engineering / FEED and CVs of Key Technical personnel.
- Updated workload chart for the proposed location illustrating current commitments, future anticipated workload and available capacity.
- Audited financial results (Balance Sheet) of the proposed bidding entity and the parent company, if any, for the last five years.
- Health, Safety, Environment (HSE) Management System along with HSE track record.
- Quality Assurance System along with valid ISO 9001 certification of the proposed bidding entity and the parent company (if any).
- Any other information considered relevant by the Contractor

Consultant's Experience

Project Name & Location	Field Water Depth (m)	Name of the Field Operator	Name of the Client	Location of Consultant's office responsible for Work	Date of Start & Completion of Work	Order Value	Details of Consultant's scope of Work
A. Contractor's Experience in carrying out Conceptual Engineering							
B. Contractor's Experience in carrying out FEED							
C. Contractor's Experience in carrying out Flow Assurance Studies							

B] For Block No. KG-DWN-98/3 (KG-D6)

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturers BP Exploration (Alpha) Limited and Niko (NECO) Limited invites Expression of Interest (EOI) for Deep-water Block No. KG-DWN-98/3 (KG-D6) in East coast of India from reputed and experienced Contractors for following categories:

OAM/KGD6/2014/23	Supply of soil for horticulture and other purposes
OAM/KGD6/2014/24	Providing Mooring Services for Crude Offtake Operations from FPSO

	Dhirubhai-1
OAM/KGD6/2014/25	Provision of Pull back Tug for Crude Offtake Operations and Hawser & Hose Handling Boat for Crude Offtake Operations from FPSO Dhirubhai-1

Category No: OAM/KGD6/2014/01 for Multi Support Vessel for Sub-Sea Intervention.

- **Scope**
Provide Multi Support Vessel (MSV) for performing subsea intervention work.
- **Contractor shall submit**
 - Details of Multi Support Vessel /Vessels proposed by Contractor, such as :-
 - Present ownership
 - Year of Construction and Name of Construction Yard
 - Class certificates
 - Registration of vessel
 - Vessel specifications including details of crane, Work class and Inspection class ROVs, DP system, Helipad, Deck space, Accommodation details etc. including the water depth capability of crane and ROV.
 - Engineering facility available with Contractor related to subsea intervention jobs with brief detail of jobs carried out.
 - Details of contracts executed with Multi Support Vessel / vessels proposed by contractor related to Sub-Sea Intervention including IMR (Inspection, Maintenance, Repair/ Replacement) of long duration by the Contractor in the preceding 10 years with following details
 - Client
 - Client references
 - Work done
 - Schedule - start and end dates
 - Performance record, etc.
 - MSV used.
 - List of key personnel having experience in similar work along with CVs
 - Present work commitments and anticipated work load. (Please attach copies of current contractual commitments and availability of the vessels.)
 - Company profile and audited financial results (Balance sheet) for last five years.
 - Brief on Health, Safety, Environment (HSE) and Quality Assurance systems followed and any relevant certification including safety statistics of the company in the last five years.
 - Any other relevant information that will establish that Contractor is a competent MSV Operator/Owner.

Category No: OAM/KGD6/2014/02 for Medical & Support Services

- **Contractor shall submit**
 - Previous experience of carrying out medical support services for manufacturing plants in the last 10 years.
 - List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
 - Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
 - Company profile and audited financial results (balance sheet) for last three years.
 - Present work commitments and anticipated work load.
 - Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
 - Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/03 Services for Operation & Maintenance of Information Technology Assets.

- **Contractor shall submit**

- Previous experience of carrying out IT support services (Software & Network) for manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider

Category No: OAM/KGD6/2014/04 Services for Operation and Maintenance of Guest House.

➤ **Contractor shall submit**

- Previous experience of carrying out guest house operation & maintenance service in the last 10 years.
- Contractor must be Regd. with labor department, EPF Office, Service Tax Authorities etc. and should be a regular assessor of Income Tax.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider

Category No: OAM/KGD6/2014/05 Services for Housekeeping and Catering at Offshore platform (CRP)

➤ **Contractor shall submit**

- Previous experience of carrying out housekeeping & catering services in oil & gas offshore platform, drilling rigs in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/06 Services for providing Industrial Canteen Facility.

➤ **Contractor shall submit**

- Previous experience of carrying out industrial canteen facility in manufacturing plants in the last 10 years.
- Contractor must be regd. with labor department, EPF office, Service Tax Authorities etc. and should be a regular assessor of Income Tax.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/07 Services for Maintenance of Mechanical Equipment & Systems (Rotary & Static)

➤ **Contractor shall submit**

- Previous experience of carrying out mechanical operation & maintenance services for oil & gas process/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/08 Services for Maintenance of Electrical Equipment & Systems.

➤ **Contractor shall submit**

- Previous experience of carrying out electrical equipment's & system operation & maintenance operations for oil & gas process/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/09 Services for Maintenance of Instrumentation Systems.

➤ **Contractor shall submit**

- Previous experience of carrying out instrumentation equipment's & system operation & maintenance services for oil & gas process/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/10 Services for Building Maintenance and Associated Civil Construction & Maintenance Jobs.

➤ **Contractor shall submit**

- Previous experience of carrying out civil contraction & maintenance works for oil & gas/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/11 Services for Fabrication of Piping & Structural Works.

➤ **Contractor shall submit**

- Previous experience of carrying out fabrication of piping & structural works for oil & gas/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/12 Services for Industrial Plant Painting Jobs.

➤ **Contractor shall submit**

- Previous experience of carrying out industrial paint supply & painting services for oil & gas/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/13 Services for Integrated facility management

➤ **Contractor shall submit**

- Previous experience of carrying out Services for Integrated facility management for any manufacturing plants in the last 10 years.
- List of equipment's owned with specification & capacity ,
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/14 Services for Operation & Maintenance of Water treatment and Purification Plant such as ETP, STP, Desalination, Fire Water System etc.

➤ **Contractor shall submit**

- Previous experience of carrying out industrial RO / Water purification equipment's & systems -operation & maintenance jobs for oil & gas/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/15 for Hiring of Material Handling Equipment such as Crane, Hydra crane, Fork lift, Trailers, Trucks and Pickup vans etc..

➤ **Contractor shall submit**

- Previous experience of carrying out material handling equipment's hiring & maintenance services for any manufacturing plants in the last 10 years.
- List of equipment's owned with specification & capacity ,
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/16 Services for Operation & Maintenance of Fire Station

➤ **Contractor shall submit**

- Previous experience of carrying out operation & maintenance of fire station, equipment's and firefighting systems works for oil & gas/petrochemical Industries or any manufacturing plants in the last 10 years.
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/17 Supply of different types of chemicals used in Oil & Gas Industry such as Production Chemicals, Chemicals used in Storage Tanks, Chemicals used for prevention of scaling, prevention of corrosion, prevention of wax formation, flow improvers, anti-bacterial, emulsifiers, de-emulsifiers, flocculants etc. for both Offshore & Onshore application.

➤ **Vendor shall submit**

- Previous experience of supplying of different types of chemicals used in Oil & Gas Industry such as Production Chemicals, Chemicals used in Storage Tanks, Chemicals used for prevention of scaling, prevention of corrosion, prevention of wax formation, flow improvers, anti-bacterial, emulsifiers, de-emulsifiers, flocculants etc. for both Offshore & Onshore application for oil & gas/petrochemical Industries or to any manufacturing plants in the last 10 years.
- List of similar orders executed in preceding 3 years with order values. Please attach the details with complete technical information and appropriate certification / documentation.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.

- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent vendor.

Category No: OAM/KGD6/2014/18 Supply of Aviation Turbine Fuel Jet 1 Grade, used in the Helicopter operation (Air logistic)

➤ **Vendor shall submit**

- Previous experience of Supply of Aviation Turbine Fuel Jet 1 Grade, used in the Helicopter operation (Air logistic) in the last 10 years.
- List of similar orders executed in preceding 3 years with order values. Please attach the details with complete technical information and appropriate certification / documentation.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent vendor.

Category No: OAM/KGD6/2014/19 for Services for Bulk Liquid Transportation of Condensate/ other Hydro Carbons

➤ **Contractor shall submit**

- Previous experience of carrying out Bulk Liquid Transportation of Condensate/ other Hydro Carbons services for oil & gas /petrochemical Industries or any manufacturing plants in the last 10 years.
- List of equipment's owned with specification & capacity ,
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.
- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/20 for Services for Operation of HVAC Systems & Maintenance of HVAC, Package A/C's and Domestic A/C's

➤ **Contractor shall submit**

- Previous experience of carrying out Services for Operation of HVAC Systems & Maintenance of HVAC, Package A/C's and Domestic A/C's in the last 10 years.
- List of equipment's owned with specification & capacity ,
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
- Organizational chart, experience & qualification of key personnel having experience in similar works & also to confirm its capability to perform the services.
- Company profile and audited financial results (balance sheet) for last three years.
- Present work commitments and anticipated work load.

- Brief on ISO certification, Health, Safety, Environment & Quality Assurance and Control systems followed, including safety statistics of the company in the last 3 years and HSE Track record of last three years.
- Any other information that will establish that the company is a competent service provider.

Category No: OAM/KGD6/2014/21 for Services for Employee transportation services through A/C buses / LMVs

➤ **Contractor shall submit**

- Previous experience of carrying out Services for Employee transportation services through A/C buses / LMVs for any manufacturing plants in the last 10 years.
- List of equipment's owned with specification & capacity
- List of similar contracts executed in preceding 3 years with performance certificates from the clients including man-hours, contract value, applicable licenses details, client details and salient features of the work executed. Please attach the details with complete technical information and appropriate certification / documentation.
