Dear Sirs,

**Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

In an unfortunate incident a minor fire occurred in Linear Alkyl-Benzene (LAB) plant at Patalganaga while restarting the plant from a routine maintenance shutdown. The Reliance fire brigade did an exemplary job in containing the fire and extinguishing it quickly. There is no loss of life or injury to anyone. All other plants at the site are operating normally.

This is for your information.

Yours faithfully,

For **Reliance Industries Limited**
